**Public Notice – Program of All-Inclusive Care for the Elderly (PACE)
Town Hall Webinar**

The Illinois Department of Healthcare and Family Services (HFS) is announcing the addition of a new Medicaid service, the Program of All-Inclusive Care for the Elderly (PACE). PACE is designed to provide comprehensive community-based care and services to dually eligible individuals who are 55 years of age or older who otherwise would need a nursing home level of care. The primary goal of the PACE program is to allow individuals to continue living in their home as opposed to a long-term care facility.

On Monday, September 20th, at 10:00 am Central Standard Time, HFS will hold a town hall style webinar to discuss the following:

- Current PACE Project Status
- Market Analysis Data
- Planned Service Regions
- Service Region Data
- Preliminary Capitated Rates
- Approximate Timeline
- Plans to Issue a Request for Application
- Plans for Readiness Reviews
- Anticipated Go-Live Date

Please save the date, Monday, September 20th, at 10:00 am Central Standard Time. By registering for the alerts you will also receive an invitation to the Town Hall.
